**Re:** Request For Funds Planning Meetings

**Date:** May 31, 2002

There will be planning meetings held to discuss the new RFFs for contracts that will begin April 1, 2003. These contracts will be outcome based and will use "payment points" to process reimbursement. There will be one contract for the LPCC and SPOE per county, one fiscal agent and combined contracts for multi-county SPOEs. First Steps and Step Ahead Councils may not be their own fiscal agent or SPOE. In light of the changes in the new RFF process, attendance is strongly encouraged. To provide comment or suggestions, please attend the planning meeting in your region:
